Subject: Proposed Agenda for Valentine's Day Team Meeting

Hi Team,

Please let me know if you have any additions, keeping in mind that it is already a full agenda. Thank you!

Proposed Agenda:

1. Transition (Standing Item): Peter and Team
2. Peter Download (Peter)

3. FY17 Allocation Discussion Continued (Team)
4. Sub-Program Groups
5. Key Meeting Report Outs
6. Upcoming Meeting Agendas

I will also bring the blue envelope containing the ethics forms to the meeting so that folks can drop in their forms before I turn them in after the meeting.

Thank you,

Angela
